

Calm After The Storm

[Intro] A

[Verse]

A	F#m
Driving in a fast lane	Counting mile marker signs
D	A
The empty seat beside me	Keeps you on my mind
A	F#m
Living in a heartache	Was never something I pursued
D	A
I can't keep on chasing	What I can be for you

[Chorus]

A	F#m
Ooooh skies are black and blue	
D	
Thinking about you	
A	
Here in the calm after the storm	

[Verse]

A	F#m	
Tears on a highway	Water in my eye	
D	A	
This rain ain't gonna change us	So what's the use to cry	
A	F#m	
I can say I'm sorry	But I don't wanna lie	
D	A	
I just wanna know if staying	Is better than goodbye	

[Chorus]

A	F#m	D
Ooooh skies are black and blue	Thinking about you	
A		
Here in the calm after the storm		
A	F#m	D
Ooooh after all that we've been through	There ain't nothin' new	
A		
Here in the calm after the storm		

[Solo]

A F#m D A

[Bridge]

A	F#m
Maybe I can find you	Down this broken line
D	A
Maybe you can find me	I guess we'll know in time

[Chorus]

A	F#m
Ooooh skies are black and blue	
D	
Thinking about you	
A	
Here in the calm after the storm	
D	
There ain't nothin new	
A	
Here in the calm after the storm
