The house that built me Miranda Lambert

Capo 5. Bund

[Intro] CGFC CGC

С I know they say, you can't go home again Em I just had to come back one last time F Ma'am I know, you don't know me from Adam G С But these hand prints on the front steps are mine С Up those stairs, in that little back bedroom Em Is where I did my homework and I learned to play guitar And I bet you didn't know, under that live oak С My favorite dog is buried in the yard

[Chorus]

F С I thought if I could touch this place, or feel it Dm This brokenness inside me might start healin' F Out here it's like I'm someone else, Am I thought that maybe I could find myself С If I could just come in I swear I'll leave С Won't take nothin' but a memory G С From the house that... built me

[Verse]

C Mama cut out pictures of houses for years Em From "Better Homes and Garden" magazine F Plans were drawn and concrete poured and F Nail by nail and board by board C G Daddy gave life to Mama's dream

[Chorus]

[Bridge]

Am C You leave home and you move on and you do the best you can Dm F G I got lost in this old world and forgot, who I am

[Chorus]

F С I thought if I could touch this place or feel it Dm This brokenness inside me might start healing F Out here it's like I'm someone else Am I thought that maybe I could find myself С If I could walk around I swear I'll leave С Won't take nothin' but a memory C Dm G C G From the house that.... built me
